DISCIPLES ON THE WAY

Missionary Cooperation Collection - July 10/11

Each year, mission groups are invited by Bishop Ricken to give Missionary Appeals to the parishes in our diocese. The Missionary Cooperation Appeal educates and promotes the work of global missions and makes it real and visible. They enrich us in our understanding of the challenges of the universal church. Next weekend Fr. Esteve Redolad from the Community of St. Paul will join us for Masses. The Community of Saint Paul is an international missionary group currently responsible for various missions in Bolivia, the Dominican Republic, Mexico, Colombia, and in Ethiopia. It is a Public Association of the Faithful in the Catholic Church, made up of priests and lay men and women from various countries. It is also present in the Archdiocese of Milwaukee, where it has its main headquarters. In addition to promoting and carrying out the sacramental and pastoral work of the Church in several parishes, the Community of Saint Paul is also running ongoing programs in the following areas:

Children – development, preschool education, counseling/therapy/expression, libraries, nutrition centers, reintegration with families (for those who are living on the streets), health care and health education.

Women – education, job training, healthcare, support for pregnant and nursing mothers, groups for mutual support.

Health – services including health centers and rural pharmacies, latrine construction, hygiene education and disease prevention, community promoters, physical and speech therapy, dentistry and eye care.

Income producing endeavors – job creation and skill training, animal breeding, artisan groups, and micro-loans.

Development projects – housing, water systems and resources, agricultural development and reforestation.

Education – School for Haitian Immigrants, scholarships for children and youth, adult literacy courses. Theology/scripture courses for lay adults. Catechesis.

Others – jail ministry, legal assistance, integration programs for Immigrants and cultural awareness.

Covid 19 Efforts – the pandemic has transformed our ministries and many of our efforts are focused to provide the immediate help to those affected by the pandemic (food, housing and medicines). The pandemic efforts to help has put special economic burden to our missions because we continue with all the programs plus the **Covid-19** relief efforts.

Envelopes for this special collection are located in the church entrance. Please find it in your hearts to give generously to this appeal!

The Kindergartener

A Kindergarten teacher was observing her classroom as the children drew pictures. The teacher would occasionally walk around and see each child's artwork. As she approached one little girl who was working especially hard, she asked what the drawing was.

The little girl told her: "I'm drawing God!"

"But sweetie," the teacher replied, "no one actually knows what God looks like."

Automatically, the little girl continued drawing and said, "Well, they certainly will in a minute!"
