Missionary Cooperation Collection

This weekend at Masses we welcome Fr. John Tigatiga who will share with us the mission work of the Society of the Divine Savior Salvatorians. One of their ministries that serves our diocese is the Salvatorian Mission Warehouse located in New Holstein. Hundreds of volunteers repackage donated relief goods which are then loaded into shipping containers. They send an average of one container per week to missions around the world. Please extend a warm welcome to Father John and help support the mission work of the Salvatorians by giving generously!

LIVING LIVES OF MERCY

St. Michael would like to bring our bazaar back this year. The bazaar is our sole fund raiser for our Christian Service fund. These funds are used to make donations throughout the year to various charities and help with outreach projects as well as a few liturgical supplies. If anyone is interested in helping plan, organize and/or work the bazaar, please contact the parish office at 920-842-2580.

Ushers Needed for Collection at Chapel

St. Michael Chapel would like to begin using their long handle collection baskets to take up the weekly collections and is looking for a few more people willing to help with this task. If you are interested in helping, please call the parish office or just let one of the ushers know you would be willing to help out.

The polka Mass is our only annual fundraiser; funds raised are used to support our parish and help cover 'day to day' operating expenses. There will be a planning meeting on Wednesday, July 20th, at 6:30 PM in the church social hall. If you can't make the meeting and are interested in helping plan, organize and/or work that day, please contact the parish office at 920-855-2542.

LIVE THE LITURGY - INSPIRATION FOR THE WEEK

We become a welcoming person when we can step aside from our own needs and desires to create space for someone else. Welcoming involves a quality of listening and presence that communicates to another person that what they are sharing and who they are have importance. When we shift attention and focus from ourselves and direct it toward someone else, positive things can happen. When someone knows that their story matters, it can be life changing and life-giving. Hospitality brings forth life and celebrates relationships. Whether we are actively tending to the business of serving the needs of others or opening ourselves to listening to their story, devotion and attentiveness are friends of love. Becoming anxious and preoccupied with one's personal agenda leaves no room for the creative, nurturing and spontaneous power of God's love.
