St. John & St. Michael Lenten Project

Water is a basic need of every human being. During this Lenten season we will be collecting donations to support the efforts of the Diocese of Sivangangai in India to provide school children access to clean drinking water as well as proper sanitation facilities. The Diocese of Sivangangai is in the southern part of India. The ambassador for this project is Fr. Xavier Santiago, who currently serves in our diocese. The aim of the diocese is to provide safe water and sanitation to the communities within the diocese with the focus on safeguarding the health of young children. Since 2015 they have helped seven communities receive clean drinking water through the building of wells and improving sanitation in the local schools. A gift of \$1000 will provide one well. Please bring your donations to Mass during Lent and place in the provided container.

Old Palms

If you have old palms please bring them to St. Michael's Church or Chapel and place in the provided box located in the back.
