# PILGRIMS OF HOPE

## St. John & St. Michael Lenten Project

Water is a basic need of every human being. During this Lenten season we are collecting donations to support the efforts of the Diocese of Sivagangai, located in the southern part of India, to provide school children access to clean drinking water as well as proper sanitation facilities. The aim of this project is to provide safe water and sanitation to communities with the focus on safeguarding the health of young children. Since 2015 they have helped seven communities receive clean drinking water through the building of wells and improving sanitation in the local schools. A gift of \$1000 will provide one well. To date we have raised \$1128. Please bring your donations to Mass during Lent and place in the provided container. Thank you for your generosity!

*This project is one of several projects that is part of the World Mission Services' Project Booklet provided to parishes in our diocese by the Catholic Foundation. It is an opportunity to be part of an effort to support the needs of the global Church. Each project has a connection to the Diocese of Green Bay. The ambassador for the project we have chosen is Fr. Xavier Santiago, an international priest currently serving in our diocese.*

## A Reflection from St. John Paul II for our Lenten Journey:

*"I encourage families to grow more aware of their mission in the Church and in the world. In their individual and community prayer, they receive the Holy Spirit who comes to make all things new in them and through them, opening the hearts of the faithful to concern for all. Drawing from the source of love, all are enabled to transmit this love by their life and their actions. Prayer makes us one with Christ and thus, makes all people brothers and sisters."*

St. John Paul II ...pray for us.

## Old Palms

If you have old palms please bring them to St. Michael's Church or Chapel and place in the provided box located in the back.
