# PILGRIMS OF HOPE

## St. John & St. Michael Lenten Project

Water is a basic need of every human being. During this Lenten season, we are collecting donations to support the efforts of the Diocese of Sivagangai, located in the southern part of India, to provide school children access to clean drinking water as well as proper sanitation facilities. The aim of this project is to provide safe water and sanitation to communities with the focus on safeguarding the health of young children. Since 2015, they have helped seven communities receive clean drinking water through the building of wells and improving sanitation in the local schools. A gift of \$1000 will provide one well. To date, we have donated \$1162. Please bring your donations to Mass during Lent and place in the provided container. Thank you for your generosity!

*This project is one of several projects that is part of the World Mission Services' Project Booklet provided to parishes in our diocese by the Catholic Foundation. It is an opportunity to be part of an effort to support the needs of the global Church. Each project has a connection to the Diocese of Green Bay. The ambassador for the project we have chosen is Fr. Xavier Santiago, an international priest currently serving in our diocese.*
